LB 180, 306, 806A

SENATOR ROBINSON: How do you think the 180 stands now with...you know part of that money is my understanding the Revenue Committee wanted to set some of that money aside to help the villages and the cities. Now if this moves, I guess we forget about that, is that correct? I know I have some towns that need some money. Maybe the rest of you don't, probably some counties too.

SENATOR HARTNETT: I think, Senator Robinson, I think we had a bill, it was debated, LB 306, I think had partially...

SENATOR ROBINSON: I understood, I understand that.

SENATOR HARTNETT: ...part of that and whether that will get back up, it is kind of up to the Speaker, but hopefully we could get that bill up again and be debated again. I think that would help...

SENATOR ROBINSON: May I ask the Speaker a question, please?

SENATOR KRISTENSEN: Senator Withem, would you yield please?

SPEAKER WITHEM: Yes, Senator.

SENATOR ROBINSON: Senator Withem, do you see 306 getting up again? It is my understanding there was around \$10 million there that would be for cities and villages.

SPEAKER WITHEM: LB 306 is a bill that was originally a part of the revenue package on General File. It is the one bill that did not advance.

SENATOR ROBINSON: Yeah, yeah...

SPEAKER WITHEM: At this point those individuals that had asked me not to put it on the agenda have not come to me asking me to put it on the agenda. When and if they do, we will then go through the decision-making process of where it should go, whether it goes with these other bills on General File or whether it has some priority...

SENATOR ROBINSON: With your knowledge...
